Consent Calendar The consent calendar includes items which require formal Council action, but which are typically routine or not of great controversy. Individual Council members may ask that any specific item be removed from the consent calendar in order that it be discussed in greater detail. Explanatory information is included in the City Council's agenda packet regarding these items.  
A. Council Minutes (June 9, 2014)  
B. Treasurer's Monthly Report (May 31, 2014)  
C. Bills (June 23, 2014)

Valley Wide Co-op Construction & Odor Gordon Brewster, 279 South 1<sup>st</sup> West, Preston, addressed the issue of odors coming from Valley Wide Co-op's retention pond and traffic dangers posed by construction of two driveways accessing 1<sup>st</sup> West. After Council discussion, the decision was made to have City Attorney Nelson review the City's ordinance regarding the operation of large trucks and vehicles in residential areas and report his findings to the Council.

Splash Pad at City Park Heather Parkinson and Justin Williams presented a plan to raise funds for a splash pad at the Preston City Park. Justin Williams explained a splash pad can be run with either fresh water or a recirculating water system. The recirculating system would require the Parks & Recreation personnel to obtain the proper certification to maintain the splash pad. After viewing photos of existing splash pads and discussing the costs associated with installing one at the Preston City Park, it was moved by Councilmember Larson and seconded by Councilmember Thomas to support their efforts to install a splash pad at the Park if they can raise the funds to do so. This received unanimous approval.

Ireland Bank Service Project Councilmember Thomas explained Ireland Bank personnel would like to repaint curbs along the parade route as a summer service project if the City will provide the paint. After Council discussion, Councilmember Thomas will work with Ireland Bank to accomplish this project.

Zions Bank Donation For Community Review Councilmember Thomas reported that Zion's Bank wishes to donate \$1,500 for the Idaho Community Review with the Idaho Rural Partnership. However, the review will be delayed at least a year due to the fact all slots for this year have been filled. Councilmember Thomas stated he will stay in touch with Dan Keller of Zion's Bank regarding the donation.
