2. SUMMER RATES – WINTER RATES:

Outside City Limits: Water Users located outside the city limits of Preston, Idaho, using water from the city water system shall be billed on a year-round basis in accordance with meter readings taken by the City and the rate schedule for out-of-city water users set forth above. If, because of weather conditions during the winter months, a reading cannot be made by the City on a monthly basis, the bill for that month shall be added to the next month in which the reading can be taken, and the water user shall be responsible for payment of the total of said bill in the month when the reading is made and bill sent to the water user.

Inside City Limits: Water users using water from the City water system who are located within the city limits shall be billed for water usage in accordance with meter readings taken by the City for the months of May through September. For the months of October through April, said users located within the city limits shall be billed at base rates.

4. RATES DISTRIBUTION:

The City Treasurer is empowered, beginning October 1, 2018, to distribute utility billing income as follows:

Water Fund: 67%
Sewer Fund: 33%

This distribution will continue until otherwise determined or ordered by City Council.

All prior resolutions regulating licenses and fees and water and sewer rates which are in conflict with this resolution are repealed. All resolutions and fees not affected by this resolution shall remain in full force and effect.

This resolution shall be effective as of the date passed and approved.

PASSED AND APPROVED BY THE MAYOR AND CITY COUNCIL of the City of Preston, Idaho, this 29 day of April, 2019.

Mark W. Beckstead, Mayor
