agenda packet regarding these items.

Water City Engineer Kimball introduced Work Change Directive #1 from
Line Mesquite, Inc., the contractors for the water line replacement
Replacement project, for gravel, equipment and labor to install the gravel, and
Project excavation 2' below the originally bid grade.

The old water line has been removed, and the trench is much more wet and muddy than anticipated. There is need for extra excavation, and hauling in gravel to stabilize the ground.

Mesquite, Inc. has also requested a forty-five (45) day extension on the work deadline of December 23, 2015, due to the extra excavation and gravel work to be done on the unstable ground.

It was moved by Councilmember Hubbard and seconded by Councilmember Thomas to approve the Work Change Directive #1, increasing the contract price by a maximum of \$159,350., and contract time by forty-five days. This received unanimous approval.

Adjourn It was moved by Councilmember Thomas and seconded by Councilmember
Hubbard to adjourn the meeting at 8:01 A.M. This received unanimous
