**Workshop
Utility
Rates**

The Mayor and Council held a workshop to review the proposals for the upcoming town hall meetings.

They discussed the following three options of increase:

Option 1. Increase the base water rate by only \$5.00, lower the allowed gallons per month from 50,000 to 25,000 and increase the overage graduated amount to 1.25 per 1,000 for the next 25,000 gallons, \$1.75 per thousand for the next 25,000 gallons, and \$2.00 per thousand after 75,000 gallons. The sewer would increase by \$15.00.

Option 2. Increase the base water rate by \$15.00 and the base sewer rate by \$10.00 now and in 18 months, increase the sewer rate another \$25.00. The allowed gallons per month would not be altered from the 50,000 gallons per month.

Option 3. Increase the base water rate by \$15.00 and the base sewer rate by \$35.00. The allowed gallons per month would not be altered from the 50,000 gallons per month.

Adjourn
