After giving guidelines for holding a public hearing, Chairman Scott Palmer asked if any board member would need to declare a conflict of interest, or ex parte contact. No board member declared conflict nor ex parte contact.

Preston City Engineer, Tyrell Simpson explained that because the minor subdivision is in the Transitional Zone, a special use permit is required for Hatch Holdings, LLC to operate their flooring business and machine shop. The use fits the area and the future land use map shows this area as commercial.

Chairman Scott Palmer asked for testimony in support, neutral, or opposition to the matter of the special use application. There being none, Chairman Scott Palmer asked if any written comment had been received in the Clerk's Office. Deputy City Clerk Mickelsen stated that no written comment had been received. Chairman Scott Palmer then closed the public hearing.

There being no further discussion amongst the commission, it was moved by Commissioner Steve Call, and seconded by Commissioner Penny Wright, to recommend to City Council, the approval of the Special Use Permit for Hatch Holdings, LLC as presented, and to authorize Chairman Scott Palmer to sign the written Recommendation after it has been written, and he has verified that said Recommendation corresponds with this motion. This received unanimous approval.

ADJOURN

Meeting was adjourned at 6:25 P.M. by Chairman Scott Palmer.
